

Luca Cottini

Dr. Luca Cottini is Associate Professor of Italian Studies at Villanova University & the host/creator of the YouTube show *Italian Innovators*.

Both a literary scholar & a cultural historian, his research focuses on Italian literature and industrial culture of the 19th & 20th centuries.

His two books examine the works of Italo Calvino (Longo, 2017) & the birth of industrial design in Italy (UTP, 2018).
